

St. Jacobs Lions Club

Lions are The People in Your Neighbourhood!

The Lions Club of St. Jacobs is thrilled to welcome some new members to the club: Nicole Hacock, Kelly Bebenek, Melissa McLeod Fishman, Julie Phillips, Karen Archer Pogue (Left to Right). These community minded and energetic women had a vision to form the St. Jacobs Community Association, a neighbourhood organization with the goal to build a sense of community through recreation and events.

These ladies - all residents, active mums and professionals in St. Jacobs - approached the Lions Club asking how they might be supported in their objectives. The Lions Club is excited to support the engaging ideas being researched by the group for the betterment of our community!

The Association will be offering a Movie Night on March 28 (below). To find out about ideas in the works, visit the association's Facebook page at: <https://www.facebook.com/groups/204004166427617/>
